To the Brothers of West KY Alumni Association

Brothers,

After consultation with the officers we have decided that Homecoming activities have to be cancelled. This is due to the uncertainties and limitations created by the Covid 19 virus. MSU is silent as to their official intent but sources close to the university have said that there will be no football this fall nor any parents' weekend nor homecoming. We feel like there are several members that will not be comfortable gathering in enclosed spaces given the virus and without any activities going on and off campus it is hard to see a successful gathering this year.

In the coming months, we will again assess the virus situation and may try to meet for an informal gathering of those that want to reconnect with like-minded brothers but for now, we will regroup and look to the future for a renewed effort to plan for a big homecoming for 2021.

Most of us pay our annual dues in person at Homecoming. If you could, please send along your voluntary dues donation made payable to the **WEST KENTUCKY ALUMNI ASSOCIATION** and mail to our Treasurer, Jerry Morris, 4861 Bridgewood Rd, Owensboro, KY 42303

Overall, this cancellation is most disappointing but I think most of you will understand. Best wishes for the safety of you, your family, and those close to you. It has been a very strange year and as yet, there is reason to expect that to change in the near future.

Best wishes,

Mike
