

September 16, 2021

Brothers;

I hope this letter finds all of you well and that you and your families have escaped the ravages of the current Pandemic. The Pandemic, along with technological changes and new regulations, have certainly brought many changes to our lives as time marches forward. Those changes affect everything we do over time including the work of the Housing Corporation. It was under these premises, that at last year's Delta Nu Housing Corporation Annual Meeting, I formed a Committee to review our Housing Corporation By Laws to make necessary recommendations to bring them up to current legal, technological standards, and practices that now affect us all. Appointed to that Committee were two of our Directors: Jeff Edwards and Dennis Arndt; along with two (2) members of the regular Alumni Chapter: Jerry Morris and Jimmy Goode. I would like to commend and personally thank those brothers for the hard work and dedication they demonstrated in their work product.

After completion of their original draft of the proposed By Laws, your Board of Directors has meet twice to review and revise that proposal as deemed necessary. The Board of Directors is now presenting the final edition of the Proposed new By Laws of the Delta Nu Housing Corporation for your review and approval. The new proposed By Laws can be found on the Delta Nu website www.KADeltaNu.com . Please take time to review this document and support us by ratifying it at our next general meeting at Homecoming on Saturday, October 23rd. We look forward to seeing you all then.

Sandy Fitzgerald

President

Delta Nu Housing Corporation
