

# MSU HOMECOMING

You asked for it so here it is. The latest on homecoming activities for the weekend of October 22<sup>nd</sup>.

**GOLF:** Although he is not going to be able to attend this year, Mark Lobstein has been kind enough to arrange for four tee times at the Miller Golf Course for Friday morning (all later times were already taken) at 9:00, 9:10, 9:20, and 9:30. Cost is \$32 per person which can be paid when you check in. That should accommodate all that might be interested. Come with your foursome or just show up and see who's there to play with. I'm not a golfer so I don't really understand chasing that little ball all over the place with such a little stick to hit it with but...

**FRIDAY:** The hospitality room at the Best Western will be open for meet and greet beginning at 6:00 pm. Stop by to say hello and contact the brothers, have a drink, arrange for dinner, and socialize for a bit.

**SATURDAY:**

9:00 am Alumni chapter meeting at the hospitality room. Coffee and donuts provided. Shouldn't last more than an hour. We will need a new Alumni Advisor and it would be really nice if someone would step up without too much arm twisting.

11:00 am Tent city at the stadium. This year the alumni will take charge of the arrangements and **FOOD!** There will be Bar-B-Que, beans, slaw, chips, non-alcoholic drinks, and maybe even dessert? No need to head south for lunch when there's free fixin's all laid out amongst old friends.

6:00 pm Hospitality room opens for the evening's entertainment. I haven't been able to reach Ronny Rickman to see if he'll provide the music so if you know how to contact him, please tell him I'm looking for him. I've tried phone, email, and Facebook. Hope he's alright? Otherwise I'll ask for a volunteer or contact an available professional.

**ROOMS:** Best Western University Inn in Murray, 270-753-5353

Ken Lake State Resort Park, 270-474-2211

Rooms are reserved under "Kappa Alpha". Call NOW!

**SELL THE EVENT!!!** You are the best resource to insure a successfully homecoming. Call a brother. Make a commitment and ask for one. We're not getting any younger and if there's one thing the past year has made clear, this just might be the last chance to visit with each other. Nothing is guaranteed these days. Don't mean to be morbid but...

**COVID-19:** Who knows? If there are no restrictions of the number of participants that can gather and MSU goes forward with their plans, we will proceed. If things take a turn for the worse then...we'll cross that bridge if and when the time comes.
